

[KIH21-04] FOR IMMEDIATE RELEASE

December 10, 2021 - Honolulu, HI -- Kintetsu International Hawaii Company, a full-service Destination Management Company (DMC) and travel agency announces the launch of its renewed outbound website and its expanded services.

The outbound website focused mainly on travel to Japan but has been re-invented as a global travel service website that not only features travel to Japan but to anywhere in the world, including business travel, MICE travel, hotels and other services associated with travel.

The expanded services include a Destination Management Company page for inbound business to Hawaii for not only from Japan but from anywhere around the world. Another new service is **WorkAloha**, an office space and meeting room rental service for those who require an office, desk space or meeting room in Waikiki.
